

Call for Paper

We are pleased to invite you to actively participate with scientific papers and presence, to contribute to this conference work, which aims to identify the essential role that Iraqi higher education institutions play in facing contemporary challenges and finding effective solutions to the risks facing the world and the current and future crises that threaten it, through an accurate diagnosis of these risks, especially those that occur as well as those expected from them, and a rigorous scientific treatment of them to address their problems and mitigate their effects.

The conference participation procedure includes the following:

- 1- Research must not have been published or submitted for publication in another journal or presented at another conference.
- 2- The research topic must fall within the conference themes in accordance with the regulation announced on the conference website, and the number of pages does not exceed 15 pages and is not less than 5 pages.
- 3- Submission is made electronically through the conference website:
<https://uoturath.edu.iq/en/scientific-conference>
- 4- Complete research will be received in Word format no later than **25/03/2024**
- 5- The researcher will be notified of the conference's scientific committee's evaluation decision no later than **1/04/2024**
- 6- Scientific research will be published in a special issue of the conference in the peer-reviewed journal of Al-Turath University Collage for free.
